In response to the Notification of Missing Requirements, applicants submit an
English translation of Figure 1.

Further, applicants have reviewed the specification but did not locate any
sequences that must be disclosed under 37 CFR 1.821-1.825. According to the rules,
nucleotides and/or amino acid sequences which are required to be disclosed are
unbranched sequences of four or more amino acids or unbranched sequences of ten or
more nucleotides. There are no such sequences in the application.

No fee should be due for this response.

Please charge any shortage in fees due in connection with the filing of this

paper, including Extension of Time fees to Deposit Account No. 11-0345. Please credit any excess fees to such deposit account.

Respectfully submitted,

KEIL & WEINKAUF
